Independent Auditor's Report

To the Members of Grameen Foundation for Social Impact

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Grameen Foundation for Social Impact** ("the Company"), which comprise the Balance Sheet as at 31st March 2026, the Income and Expenditure Account and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its surplus of income over expenditure and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

DCM & CO. * FRN: 013189S * Chartered Accountants *

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial controls, as reporting under Section 143(3)(i) of the Act is not applicable to the Company.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events

DCM & CO. FRN 013189S Chartered Accountants

or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

The Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, is not applicable to the Company since it is a company licensed to operate under Section 8 of the Act.

As required by Section 143(3) of the Act, we report to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Income and Expenditure Account and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended.

e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f) Reporting on the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls under Section 143(3)(i) of the Act is not applicable to the Company in terms of the Ministry of Corporate Affairs notification G.S.R. 583(E) dated 13th June 2017.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations which would materially impact its financial position.

(ii) The Company does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.

(iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.

(iv)

a. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Company, being registered under Section 8 of the Act, is prohibited from paying dividend to its members and has not declared or paid any dividend during the year. Accordingly, reporting on compliance with Section 123 of the Act is not applicable.

(vi) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended 31st March 2026, which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Notes forming part of the financial statements

All amount in Indian Rupees (Thousands) unless specified otherwise

Note 1: Corporate information

Grameen Foundation for Social Impact (the Company) is a section 8 company domiciled in India and incorporated on 23rd August, 2012 under the provisions of the then Companies Act, 1956 (now 2013) with Limited Liability without addition of the word "Limited" or "Private Limited" to its name. Grameen Foundation for Social Impact is formed to undertake activities and services that impact the lives of the poor, specially women.

Significant accounting policies

1.01 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP).The Company has prepared these financial statements to comply in all material respects with accounting standards notified under section 133 of Companies Act 2013, read with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. The assets and liabilities have been classified as current and noncurrent as per the operating cycle criteria set out in the schedule III to the Companies Act, 2013.

1.02 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

1.03 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.04 Property, plant & equipment

Tangible Assets are stated at cost less accumulated depreciation and impairment loss, if any. All significant cost incidentals to acquisition and installation up to the date of commissioning are capitalized. Intangible Assets are stated at cost less accumulated amortization and impairment loss, if any.

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized in accordance with Accounting Standard - 28 "Impairment of Assets", for the amount by which the asset's carrying amount exceeds its recoverable amount as on the carrying date. The recoverable amount is higher of the asset's fair value minus cost to sell vis-a-vis value in use. For the purpose of impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flow.

1.05 Depreciation and amortisation

The Company has provided depreciation on the straight-line method on the fixed asset over its useful lives as provided in Schedule II of the Companies Act, 2013 or as re-assessed by the Company.

Intangible assets are amortised over the useful economic life of the assets. The amortisation period and amortisation methods are reviewed each year at balance sheet date.

Grameen Foundation For Social Impact

Notes forming part of the financial statements

All amount in Indian Rupees (Thousands) unless specified otherwise

1.06 Investments

Long term investments are valued at their cost including brokerage, fees and duty. However if in the opinion of the management there is decline in the value of the investments, other than temporary, the carrying amount of investments is reduced recognizing the decline in value of each such investment.

1.07 Revenue recognition

Corpus grants received specifically for corpus of the company is shown under Capital Reserve in Balance sheet. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. In addition the following criteria must also be met before revenue is recognized:

-Operational grants are accounted on the date of receipt but revenue is recognized as lower of grants received or expenses incurred. In case of grants received is lower than actual expenses incurred, revenue is recognized to the extent of expenses incurred. All Grants and contributions received during the year are towards the objective of the company.

- Interest income on Saving Bank accounts and fixed deposit are accounted on accrual basis.

1.08 Capital asset fund

Assets purchased out of grants received for a specific purpose are expensed in the year of purchase. These assets are also capitalized with the creation of a corresponding capital asset fund.

Depreciation during the year on assets acquired out of grants received for a specific purpose is transferred to the capital asset fund.

1.09 Employee Benefits

Gratuity - Gratuity is a post employment defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets. The defined benefit obligation is calculated annually at the year end by an independent actuary using the projected unit credit method. Actuarial gains and losses are recognized as an income or expense in the Income and Expenditure Account in the year in which they arise.

Leave Encashment - Liability in respect of Leave Encashment is provided for encashable leave in accordance with the HR policies of the Company.

1.10 Foreign currency transaction and translation

Initial recognition

Transactions in foreign currencies entered into by the company are accounted at the exchange rates prevailing on the date of the transaction or at rates that are closely approximate to the date of the transaction.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the company are recognized as income or expenses in the statement of Profit and Loss.

Subsequent recognition

The outstanding balances of the foreign transactions are reinstated based upon the rate as per RBI as on last day of the financials.

1.11 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets is recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are reviewed at each Balance Sheet date for their realisability. As a matter of prudence, deferred tax asset, mainly on account of carry forward loss, have not been accounted for in the books, since it is not virtually certain, whether the Company will be able to take benefit of such losses.

S. Pratiksha

Grameen Foundation For Social Impact

1.12 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

1.13 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Actual results could differ from those estimates. Contingent liabilities are disclosed in the Notes.
